As you look through this edition of THE TIGER, we hope you will remember all the experiences and activities you have had during the 1975-76 school year at Tidehaven High.

Everyone on the staff has contributed many hours of work in order to publish this book. We express our sincere appreciation to Mrs. Verna King, our advisor, who has also devoted much of her time and effort to making this yearbook a successful one.

We hope that the following pages provide you with pleasant memories of Tidehaven High during the Bicentennial Year.

Dedication

The annual staff dedicates this edition of THE TIGER to Mr. and Mrs. Ray Sparks, both of whom have played important roles in making our school life an outstanding and enjoyable one.

Along with teaching English, Mrs. Sparks devotes much of her time to the N.H.S. organization. She sets high goals for herself and those associated with her.

As principal, Mr. Sparks spends much of his time counseling students to prepare them for high school.

We extend our gratitude to both for playing such significant roles in the development of T.H.S.

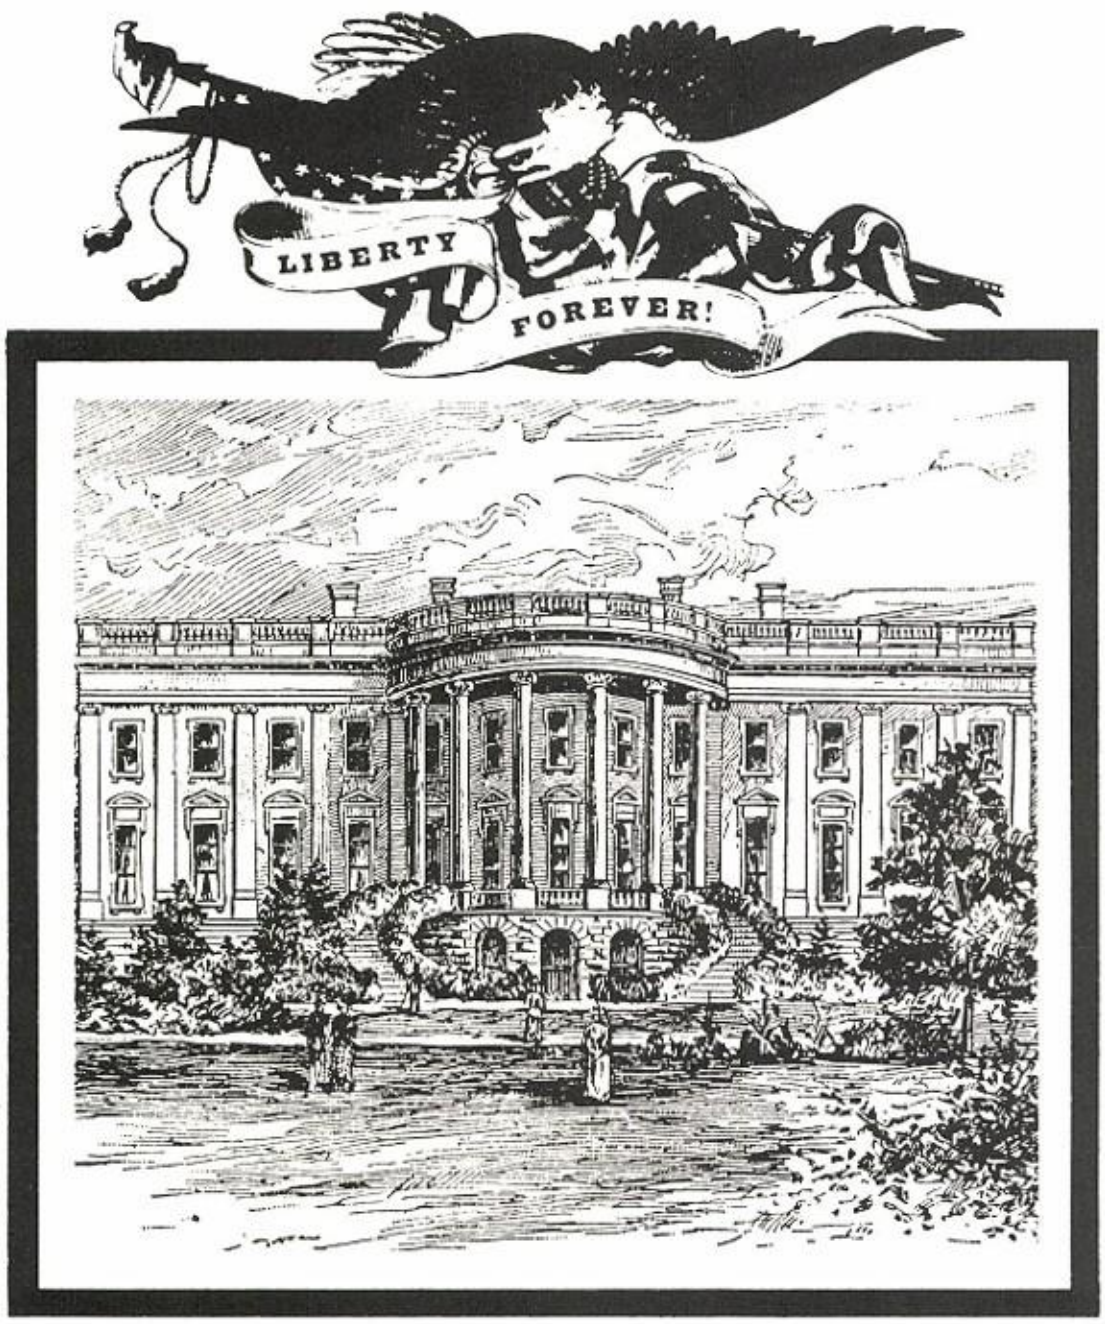
Tidehaven High, to thee our hearts are given
In loyalty to each familiar scene
We pledge to thee our love and our devotion;
We pledge to this now, and for years to come.
And may we strive to bring greater glory
With honor won for Tidehaven High.



ADMINISTRATION

Every president except George Washington has lived in the White House. Its cornerstone was laid by Washington in 1792. Changes have been made by every president who occupied it.

THE REAPER AND THE FLOWERS

There is a Reaper whose name is Death,
And, with his sickle keen,
He reaps the bearded grain at a breath,
And the flowers that grow between.

"Shall I have naught that is fair?" saith he;
"Have naught but the bearded grain?
Though the breath of these flowers is sweet to me,
I will give them all back again."

He gazed at the flowers with tearful eyes,
He kissed their drooping leaves;
It was for the Lord of Paradise
He bound them in his sheaves.

"My Lord has need of these flowerets gay,"
The Reaper said, and smiled;
"Dear tokens of the earth are they,
Where he was once a child.

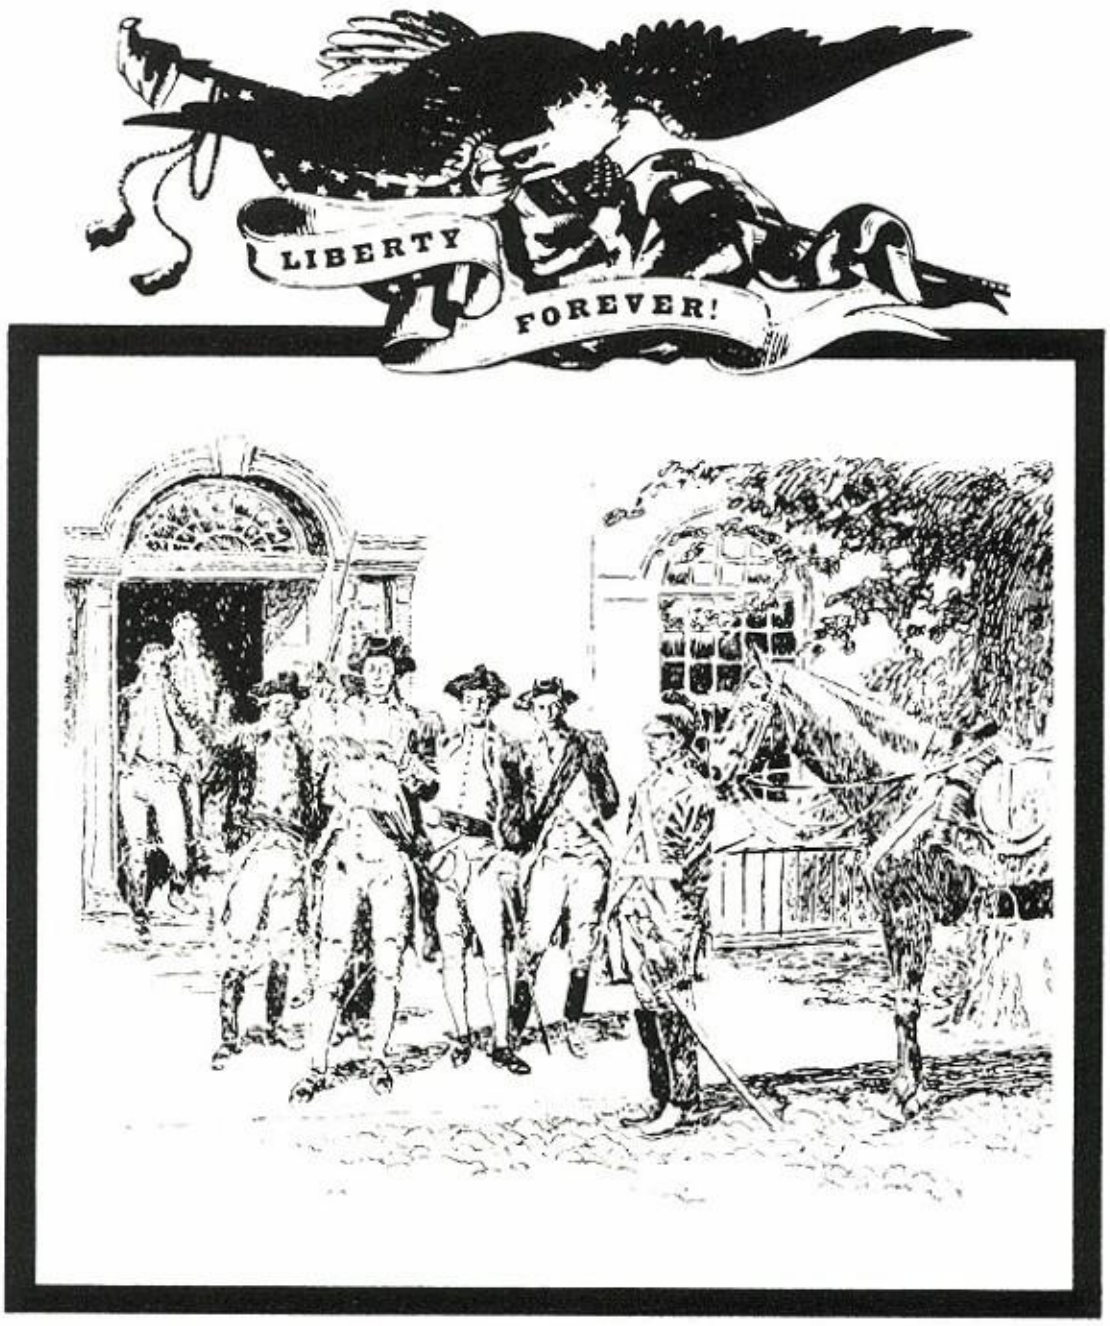
O, not in cruelty, not in wrath,
The Reaper came that day;
'Twas an angel visited the green earth,
And took the flowers away.

- Longfellow

MR. TOM GRIFFITH

Weep not, beloved friends! nor let the air
For me with sighs be troubled. Not from life
Have I been taken; this is genuine life
And this alone - the life which now I live
In peace eternal; where desire and joy
Together move in fellowship without end.

- Wordsworth



SENIORS

At Valley Forge, General Washington spent long hours writing letters to Congress, pleading for badly needed supplies. Just before striking camp, he was directed by Congress to administer an oath of allegiance to his senior officers, acknowledging the independence of the United States.

Senior Class Prophecy

The 1976 Seniors of THS have gathered today, January 20, 1997, in Washington, D.C. They are there to attend the inauguration of the first woman President of the United States, WYLENE CRAIN SCHURTZ. MICHAEL SCHURTZ, Wylene's husband, who will now be known as the first man, secretly admires LAVERNE HICKL. Michael has persuaded his wife to choose her as Secretary of State.

Former Dean of Ashby Law School, BENNY RAY RUSK, the Chief Justice of the Supreme Court, is administering the oath of office to the newly-elected President. LINDA McGINTY, the sex symbol of the 90's, wiggles past Pres. Schurtz to the new Vice-Pres., TRACY WARN, whom she congratulates with a big kiss. In a fit of jealous rage, DEBBIE LEE WARN tries to attack Linda but is foiled by her three bodyguards, ADOLF JALUFKA, VERNON RICKAWAY, and PEDRO AGUILERA.

We smile to ourselves as we see GINGER and JIMMY PIWONKA and their dozen little carrot-topped offspring trailing after them.

We are sorry to learn that Professor SUSAN KUBALA was unable to attend the ceremony due to an accident in her laboratory. Professor Kubala, while preparing a love potion for FRED TOBECK, Washington's top playboy, received permanent brain damage from a sudden explosion.

For entertainment, TERRY RAY sings "I Am Woman" in dedication to the new President. On the White House lawn, MARY DABELGOTT and LISA BEANE do the 1976 hit dance, the bump, to the sound of RACHEL RUSK flicking her bic. As the entertainment draws to a close, MARIA HARTER, BRENDA BUCHANAN, and ZULEMA GUERRERO boogie down to the music of Donny Osmond's successor, KIRBY DAVIS.

Refreshments were provided by GLORIA CHAVEZ and YOGI VAVRA, who have followed the family tradition by providing each of the guests with a nice Hawaiian Punch. Attempting to carry on the old Tiger Spirit, CAROL FRICK and CONNIE GRANTHAM desperately struggle to squeeze into their old cheerleading uniforms. They will lead the guests in a roaring cheer for the new President.

THTA, Texas Historical Turkeys of America, organized by CONNIE LEZAK, has come to present Pres. Schurtz with a living memorial, a live turkey.

It was reported by CIA agent MARY KASPAR that BRENDA KELSO, VIVIAN SOUTHALL, and MARILYN PESAK were seen entering the U.S. Patent Office carrying a wig case. It was discovered that they are attempting to patent the world's first bald-headed wig.

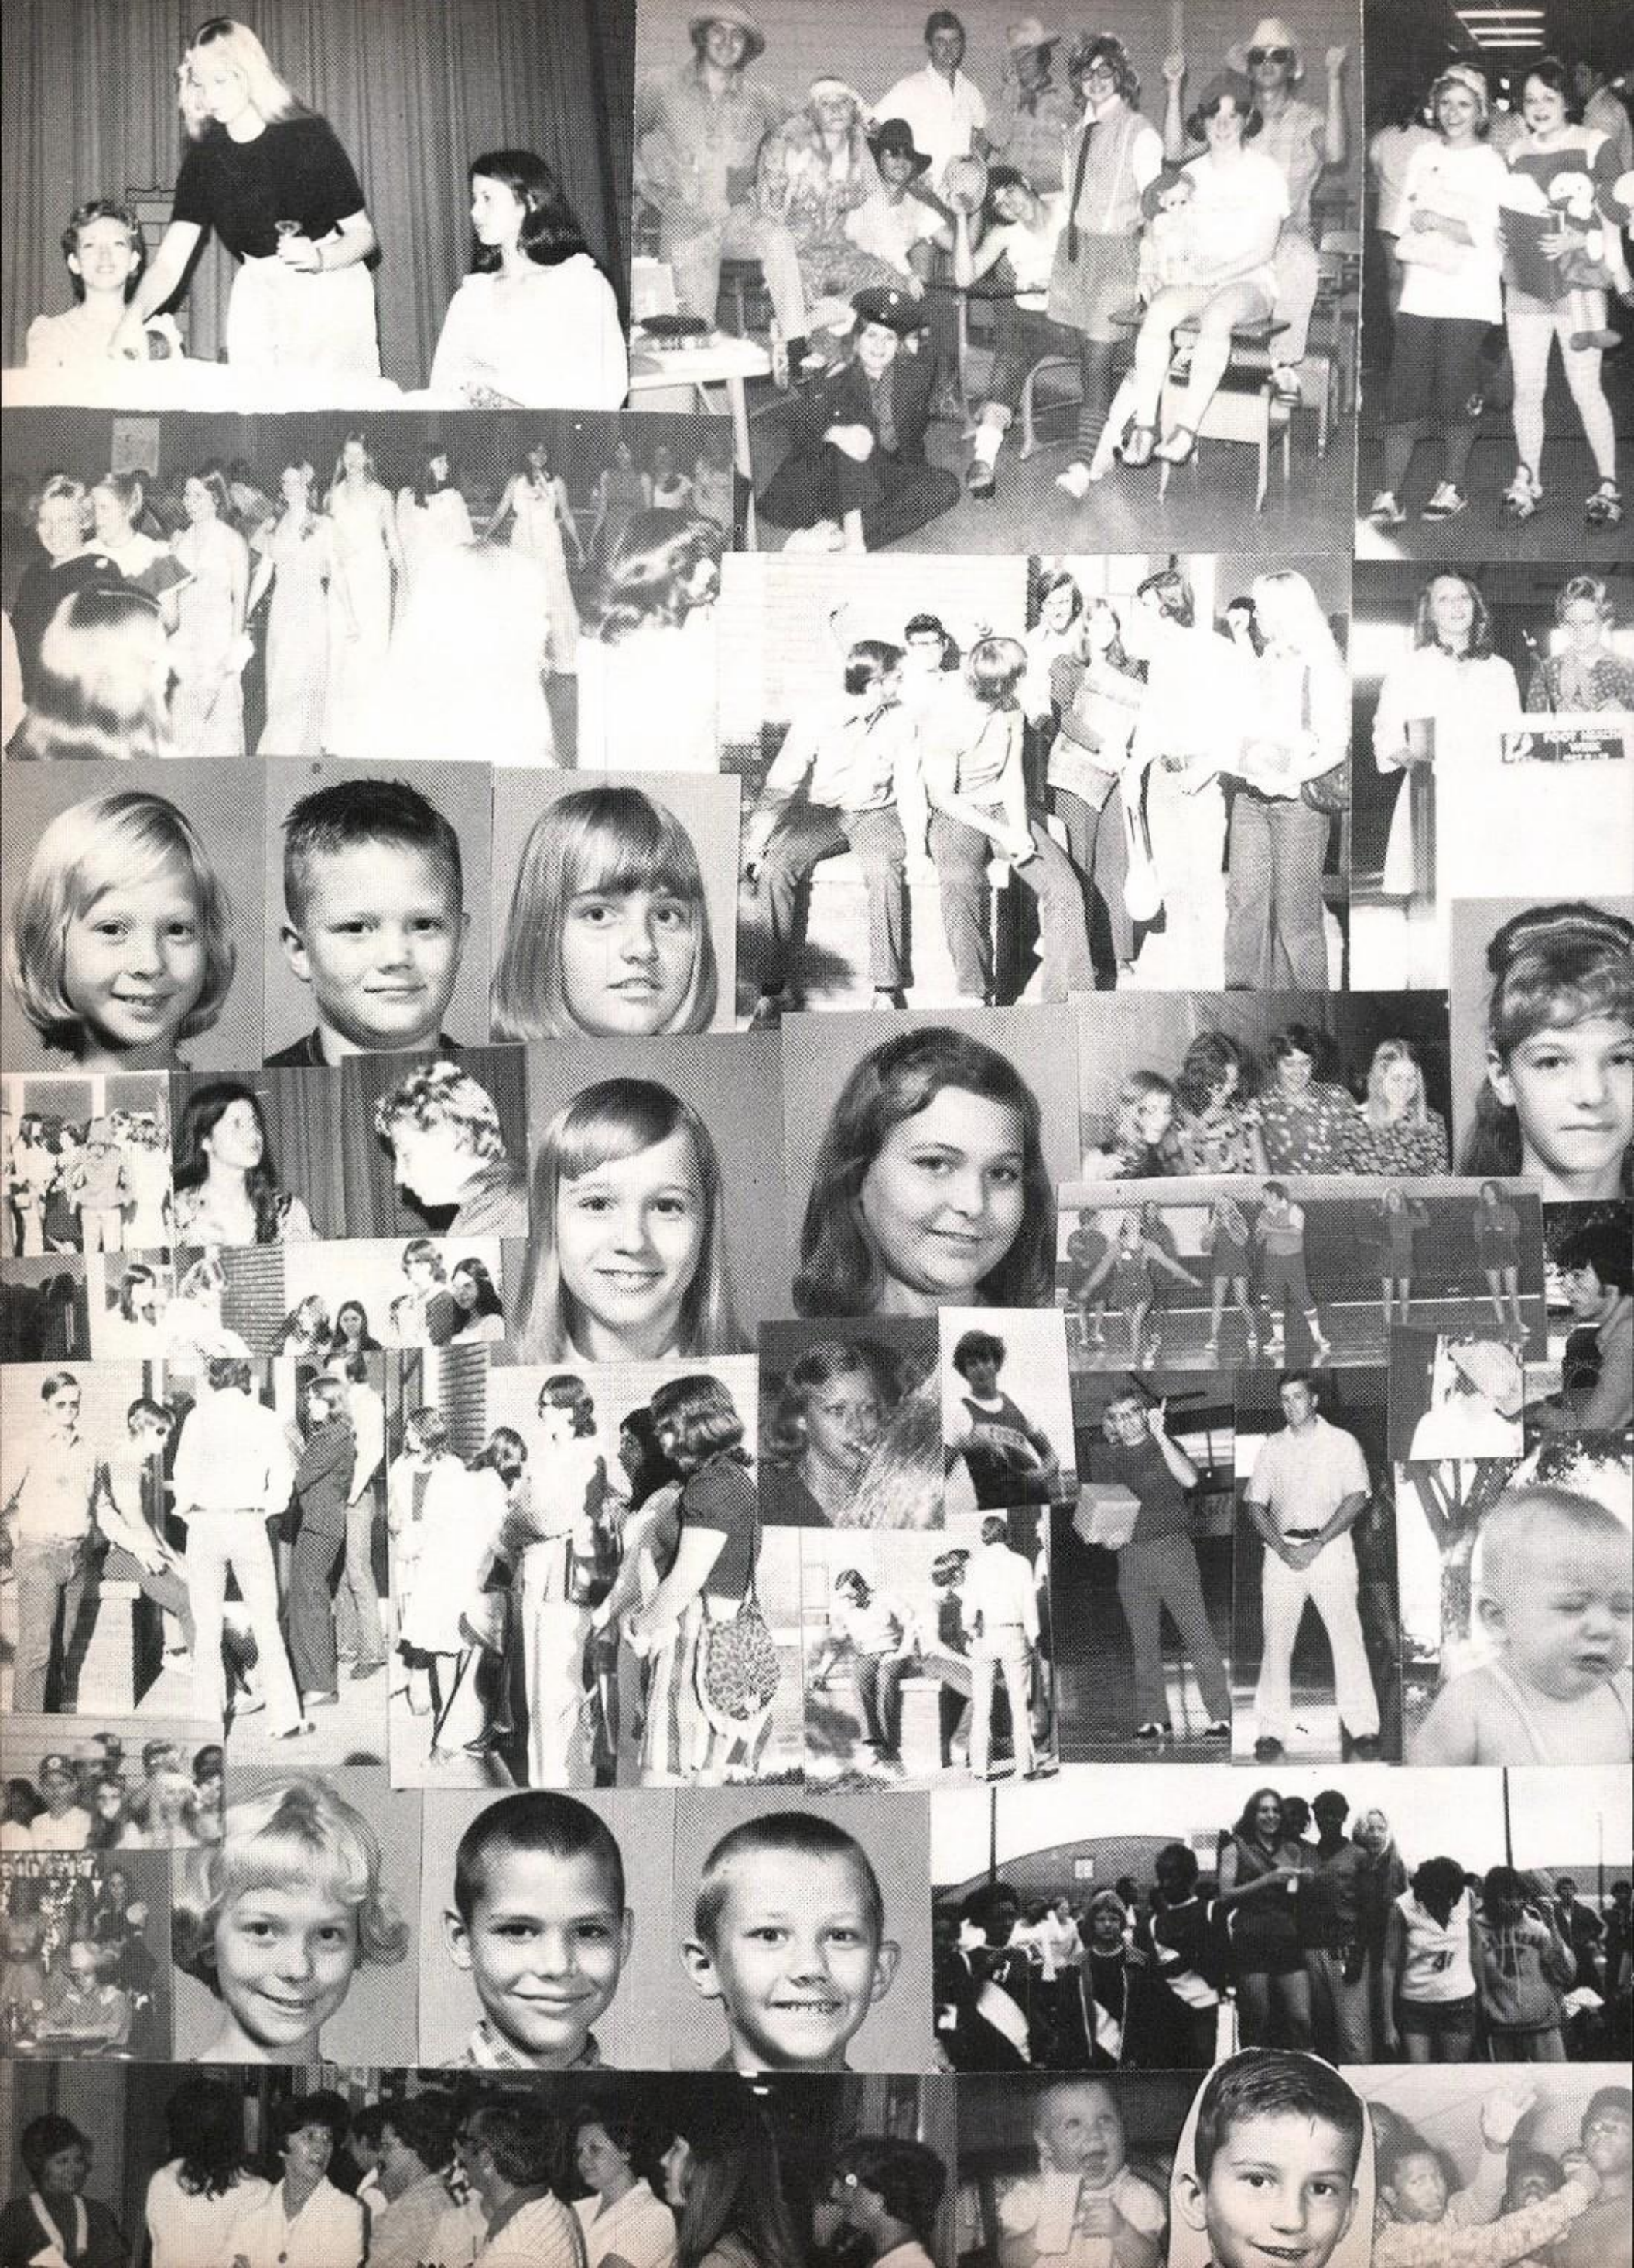
We learn that the architectural firm of FISHER, BOONE, and WILLIAMS has been commissioned to redecorate the White House. They have chosen to use the early Tidehaven Gothic style.

The famous dog trainer, PAUL KRENEK, proudly presents the Pres. with two prize-winning bird dogs named after his old high school sweethearts, TIBBIE SAHA and LIBBY ROADES. Libby is now president of a fruit company with Tibbie as her personal pineapple picker.

We see DAVID LONGORIA and RODOLFO MARTINEZ staring at HERMINIA AGUILERA'S sheer, slinky dress, created for her by fashion designer, RICKY GRAFF. Ricky operates a boutique named The Ricky-Ticky-Tacky Shop. Strutting across the White House lawn, Chief of Police ELROY HEBERT arrests Herminia for indecent exposure. He admits that this arrest was completely enjoyable.

THS news correspondent CEDRIC LEWIS reports from the city of Buckeye that TELISA CUMMINGS is erecting a memorial to her old classmate, Wylene. He also reports that CINDY DABELGOTT and LINDA GRIFFITH, jealous of Wylene's success, are plotting a demolition of the memorial. JOANN CARRILLO uncovers this terrible scheme and is awarded the Nobel Peace Prize for her efforts.

The President's hot line to Mars interrupts the commotion. The call is from the Foreign Ambassador, ANDREW JASEK, and his assistant, PAUL KANA. When asked how things were going on Mars, his reply was "Everything is (Beep! Beep!) well!"



JUNIORS

The American military victory at Saratoga was matched by diplomatic victories: the treaty of amity and commerce and the treaty of alliance with France. Benjamin Franklin and Arthur Lee signed treaties in France and were greeted by cheering patriots on their return.

ORGANIZATIONS

Washington's Army retreated across New Jersey and it dwindled as it went, but by Christmas of 1776, the Americans were 8,000 strong. They crossed the Delaware, where the Hessians, camped at Trenton on the East Bank, were caught off guard, and 900 of them were captured.

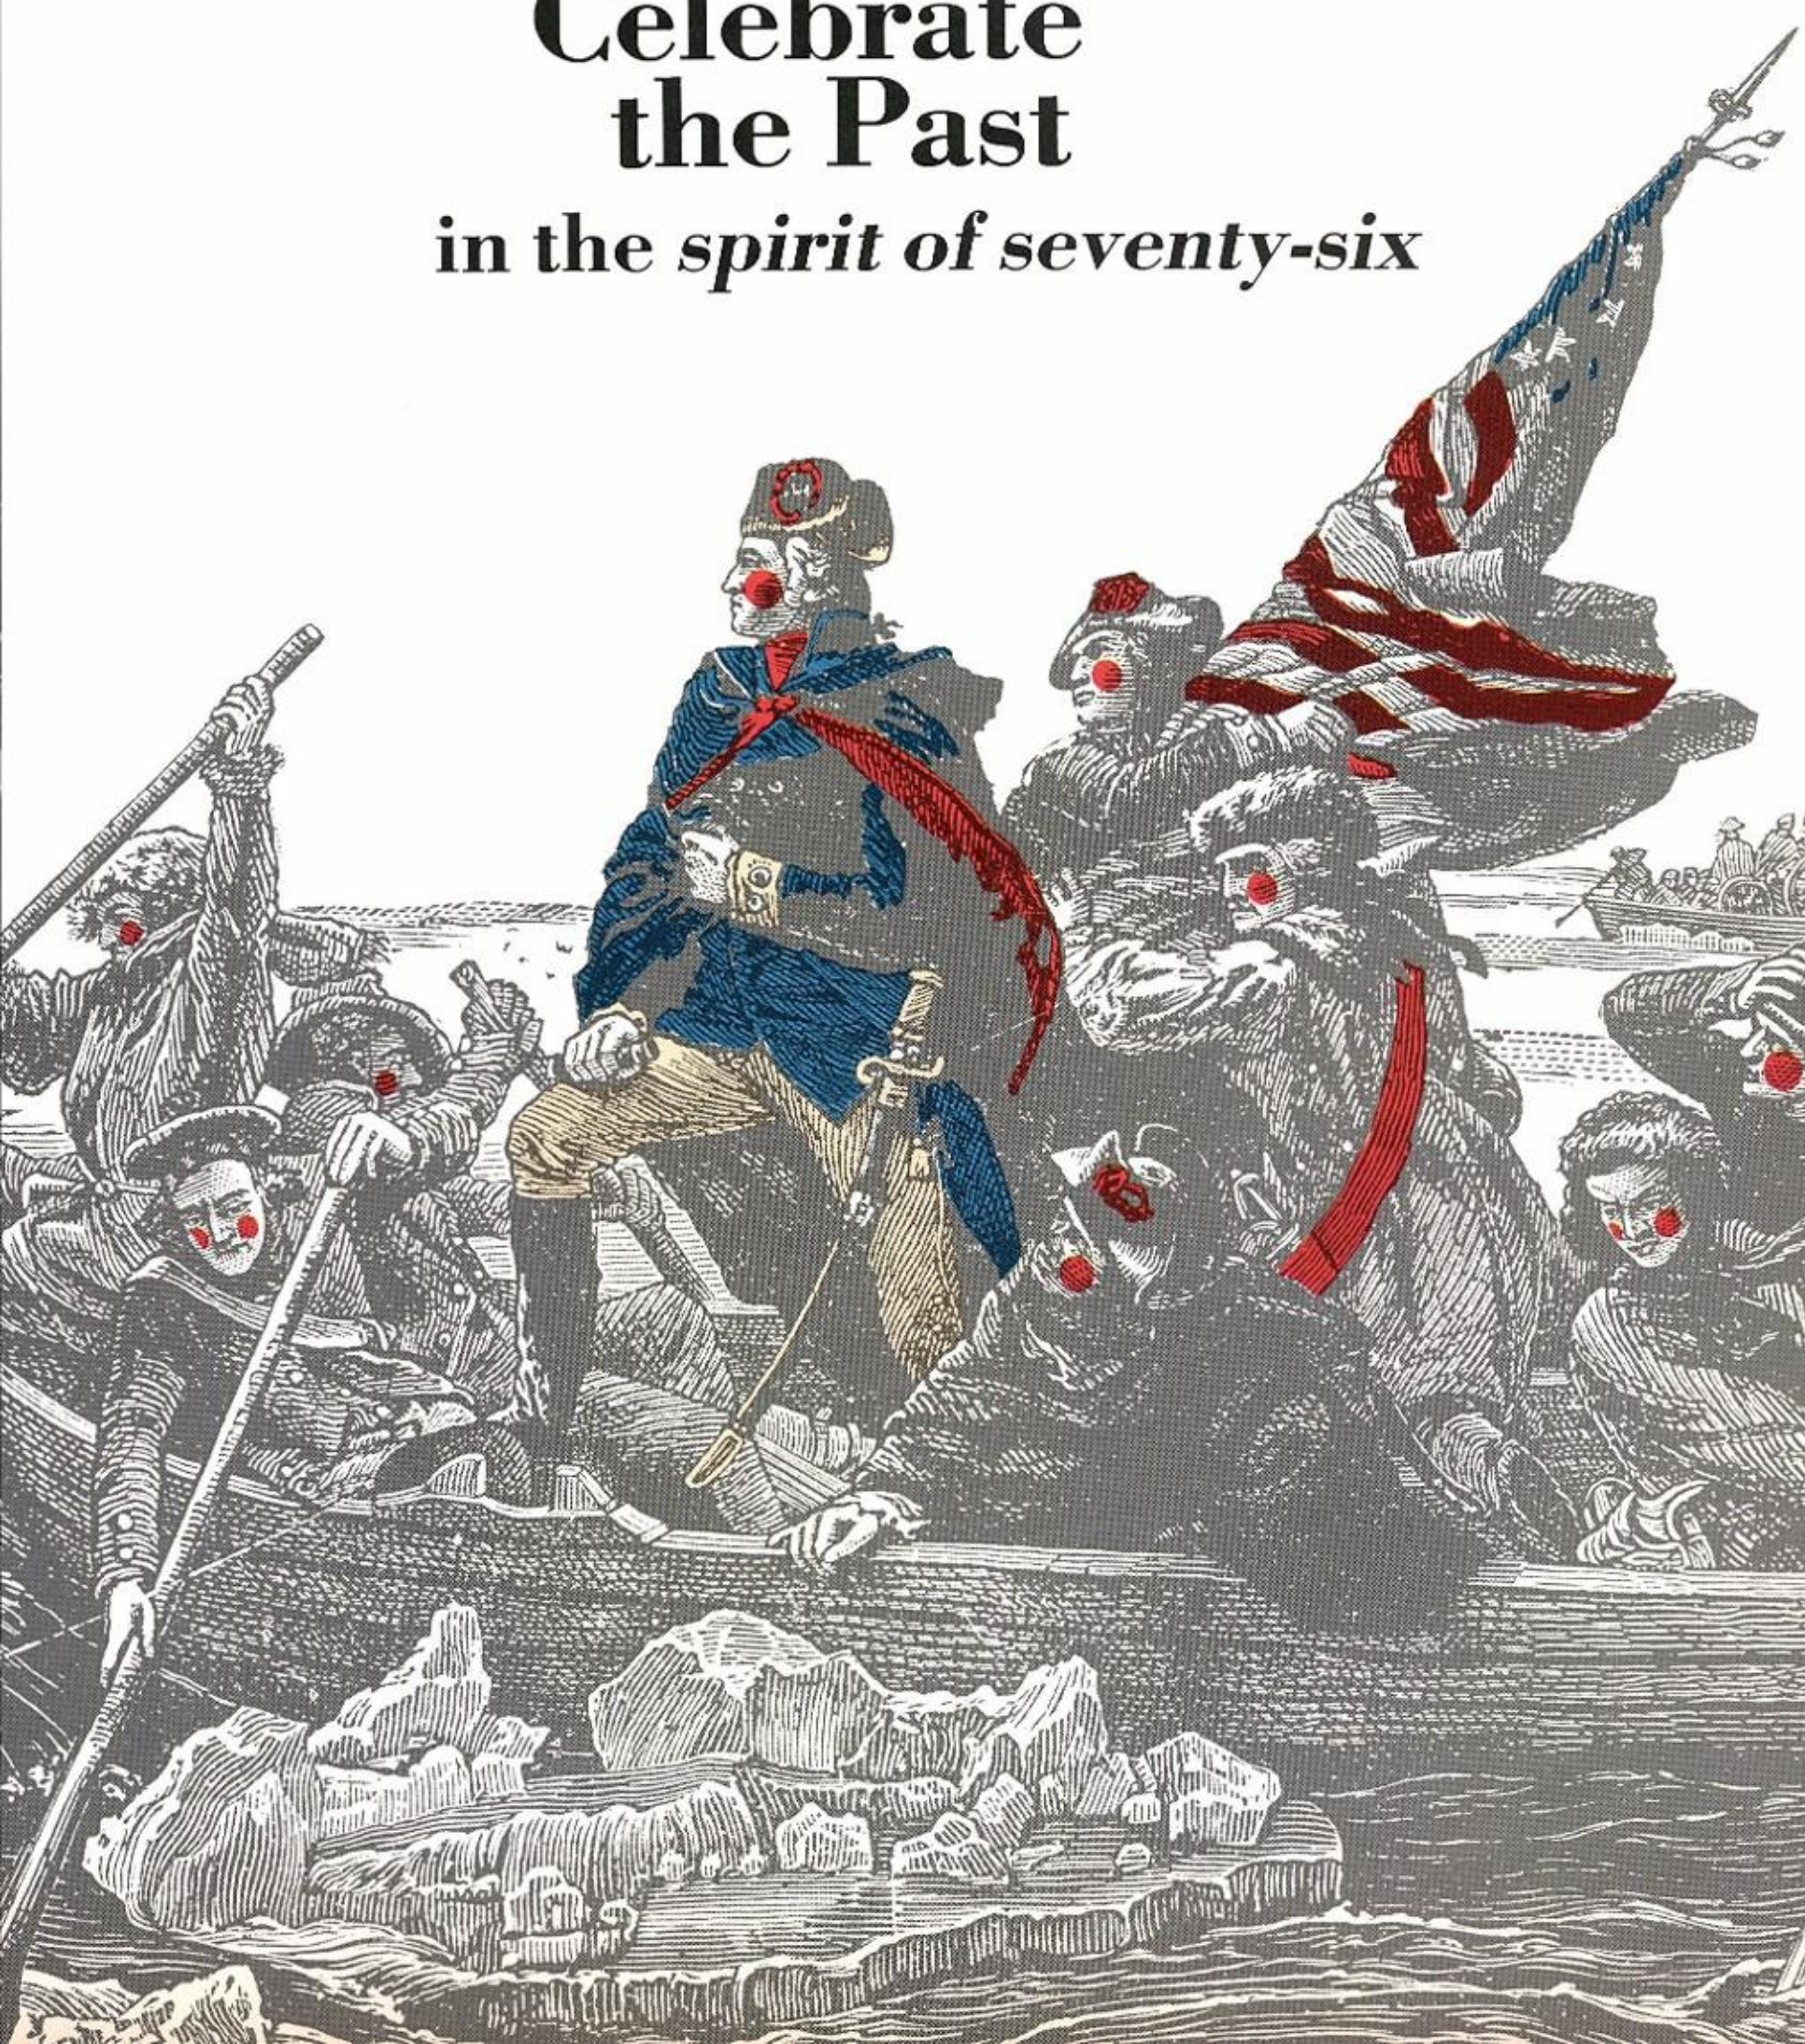
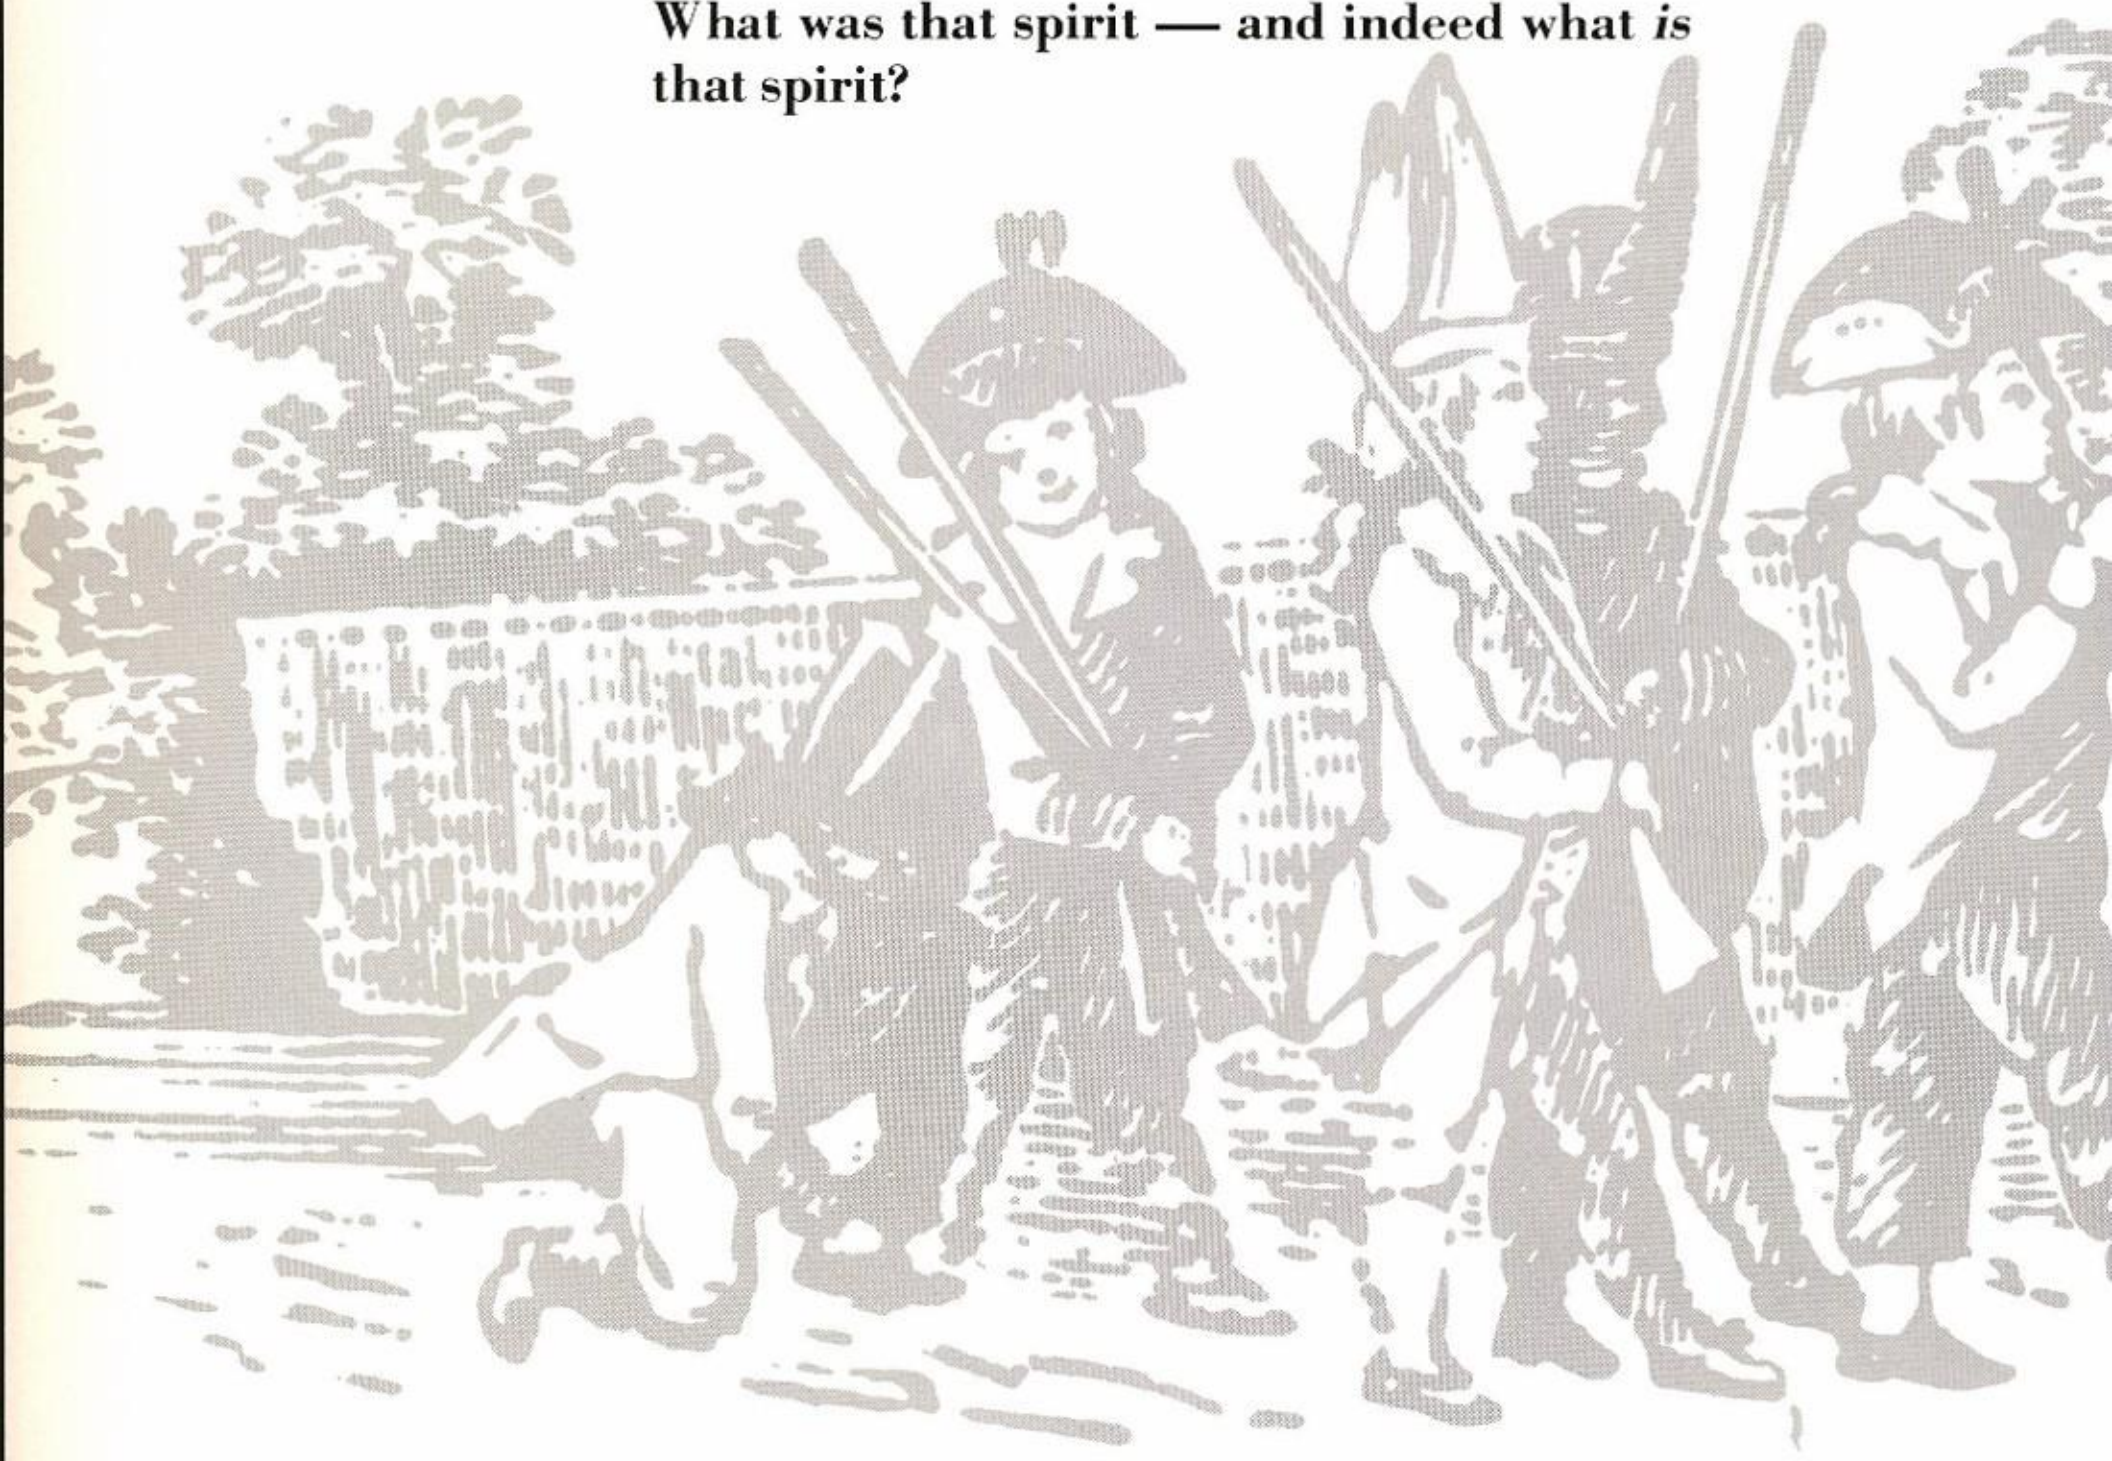
We Celebrate the Past

in the *spirit of seventy-six*

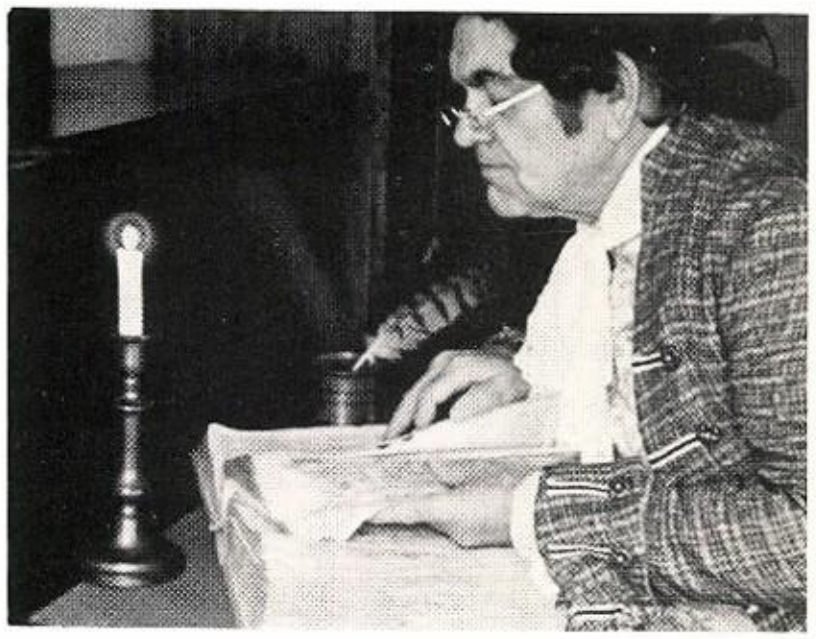


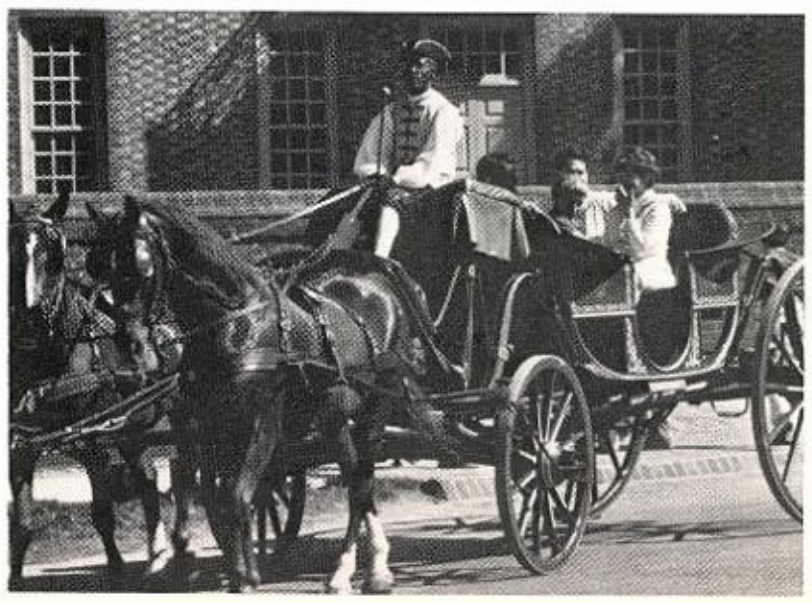
There was an enormous force which strengthened the colonies, which exists today, and which has carried America through its great history. That force is known to us all to be the *"Spirit of '76."*

What was that spirit — and indeed what *is* that spirit?



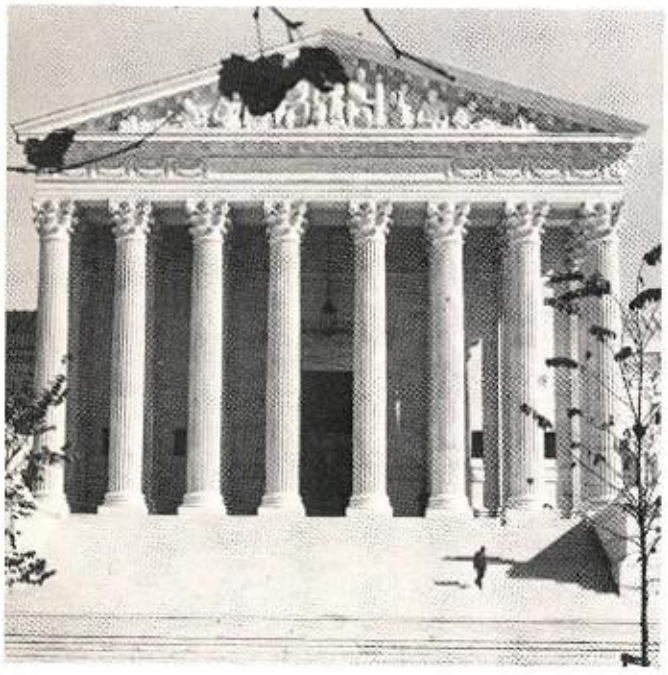
It is a *SPIRIT OF LIBERTY* and the knowledge that one man's freedom is more important than anything else on earth.



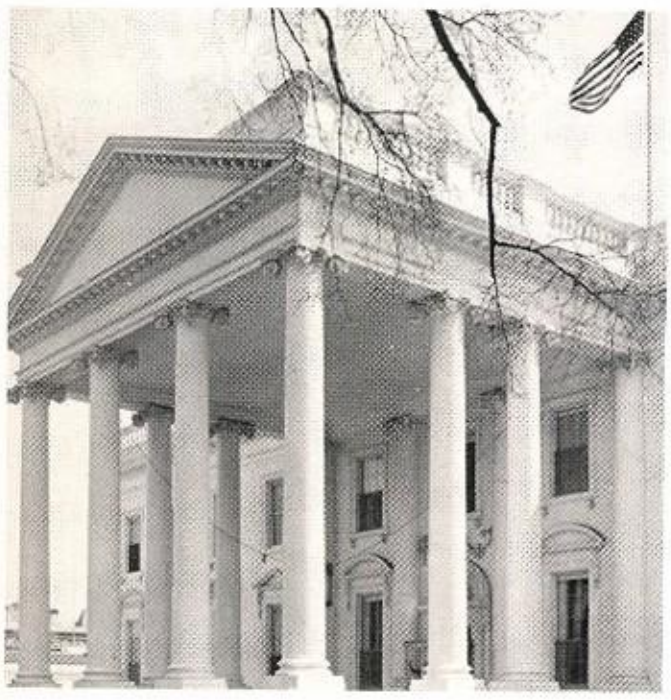


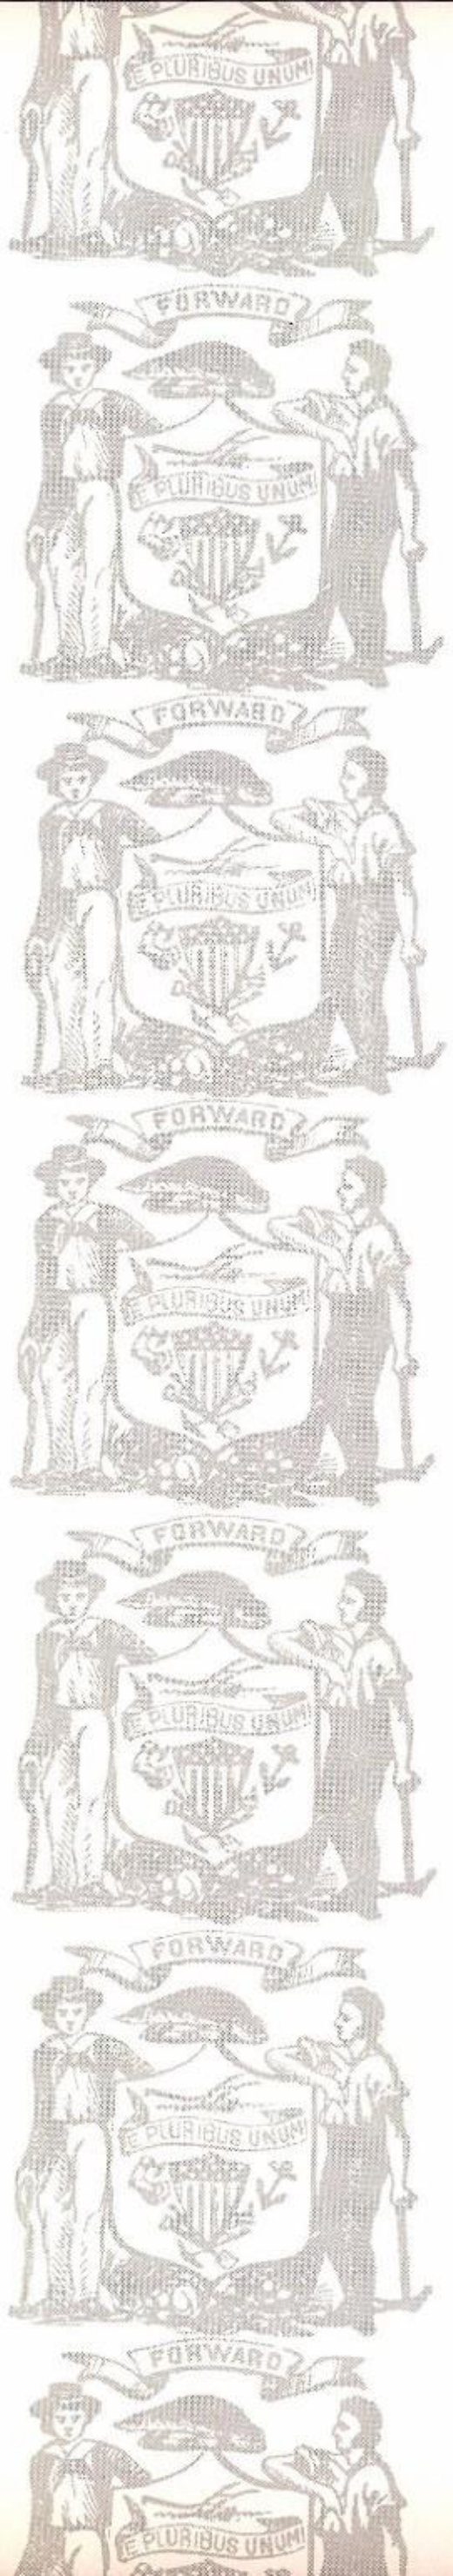
Independence Hall
The State House of
Pennsylvania
The Birthplace of
the United States
of America

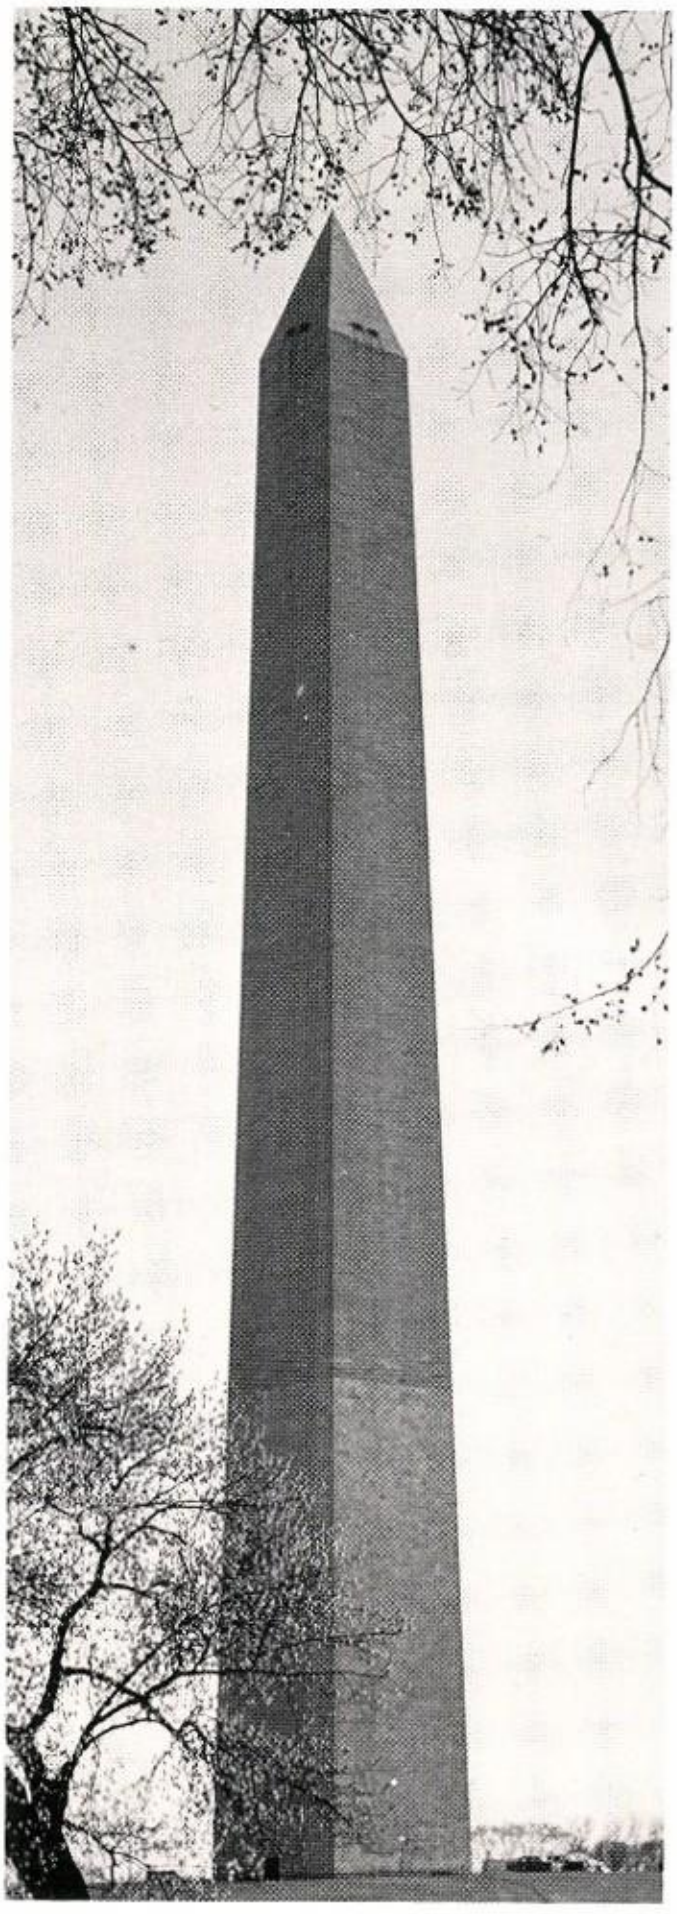
It is the *SPIRIT OF SACRIFICE* — of sharing burdens and conflicts.

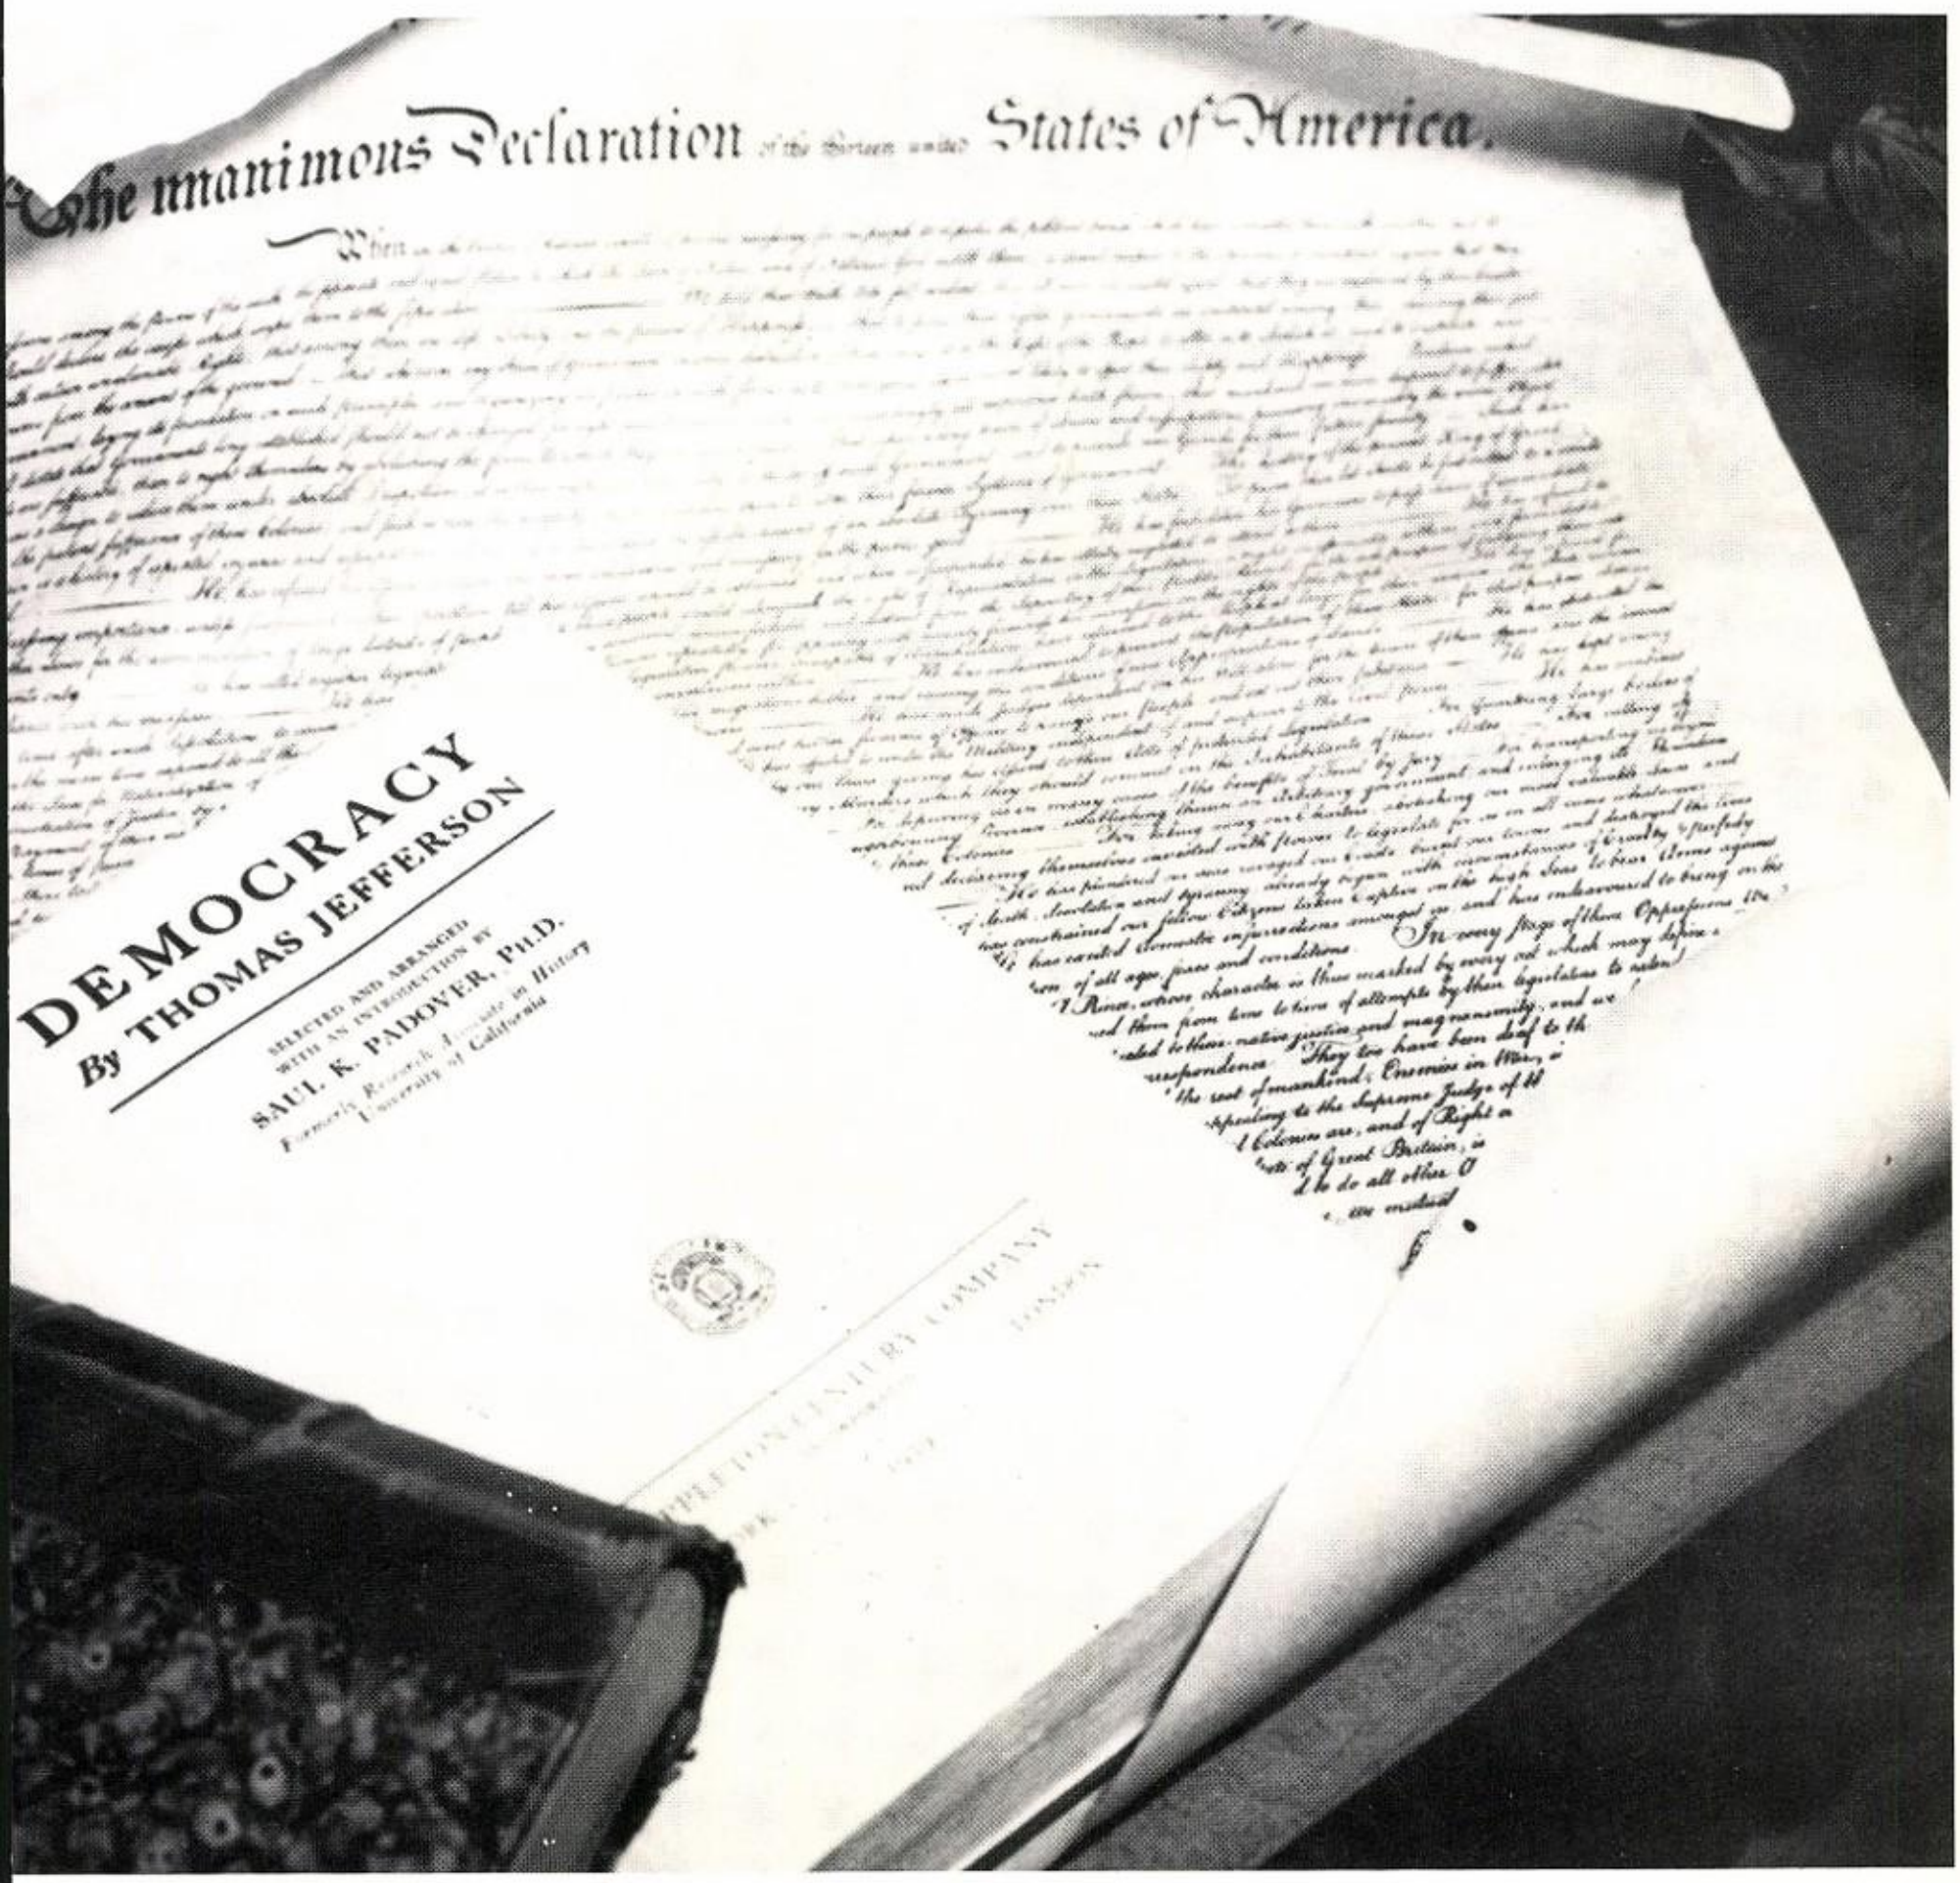


It is the *SPIRIT OF OPTIMISM* of knowing that we can always make things better — of working only for the best, and expecting only the best.









The unanimous Declaration of the thirteen united States of America.

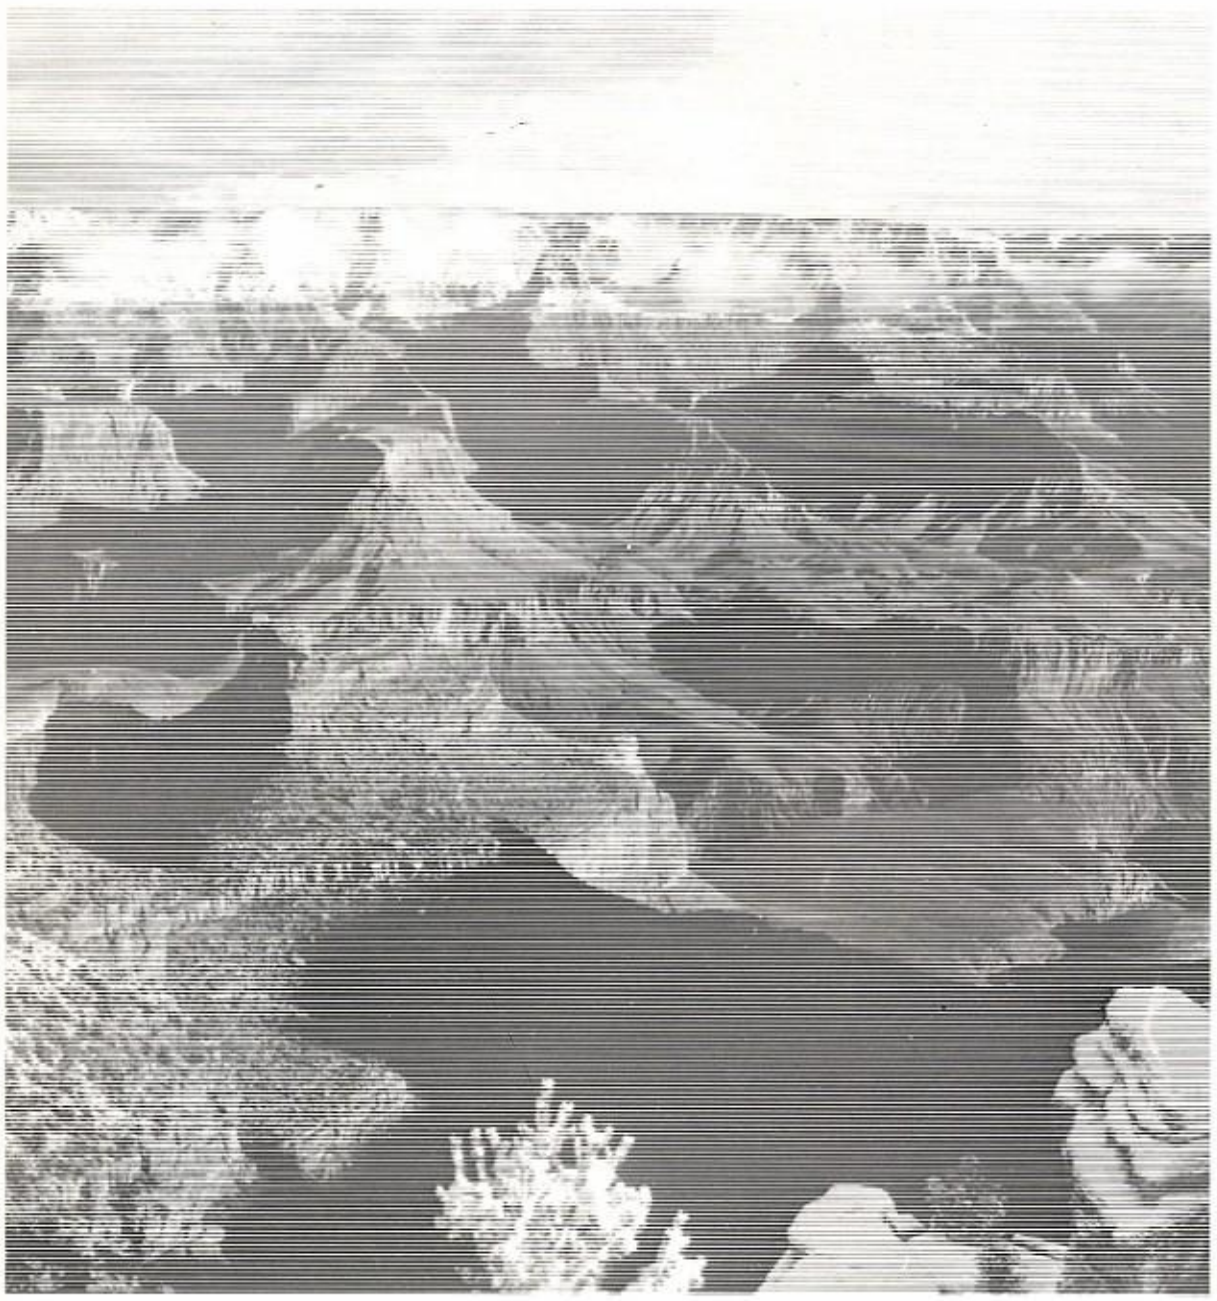
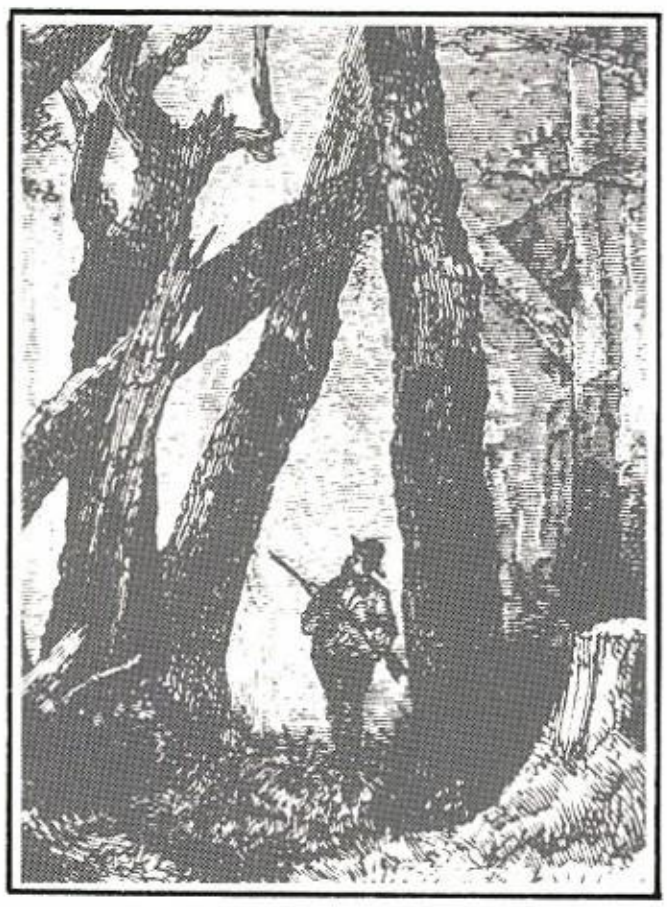
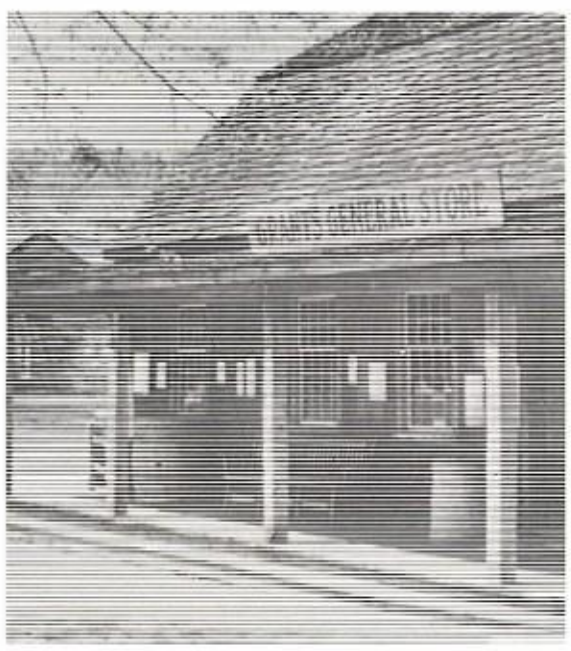
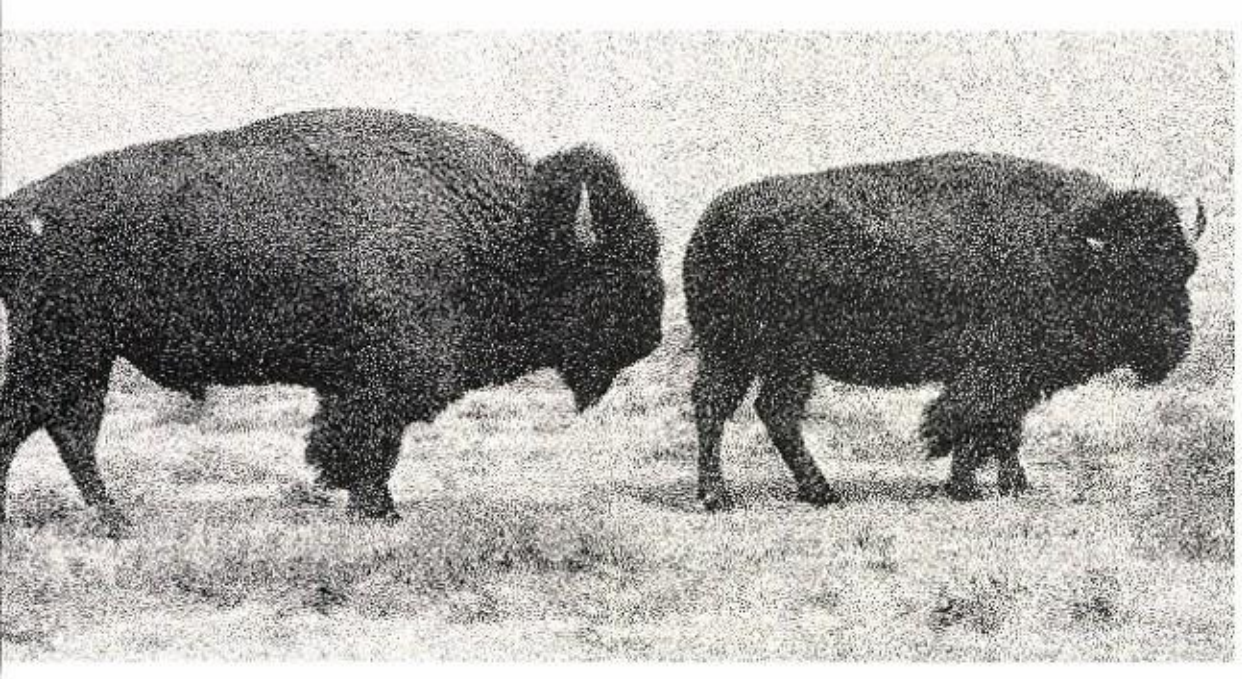
It is the *SPIRIT OF CONFIDENCE* — of not being constrained by earthly boundaries and of the certain knowledge that man can master his fate.



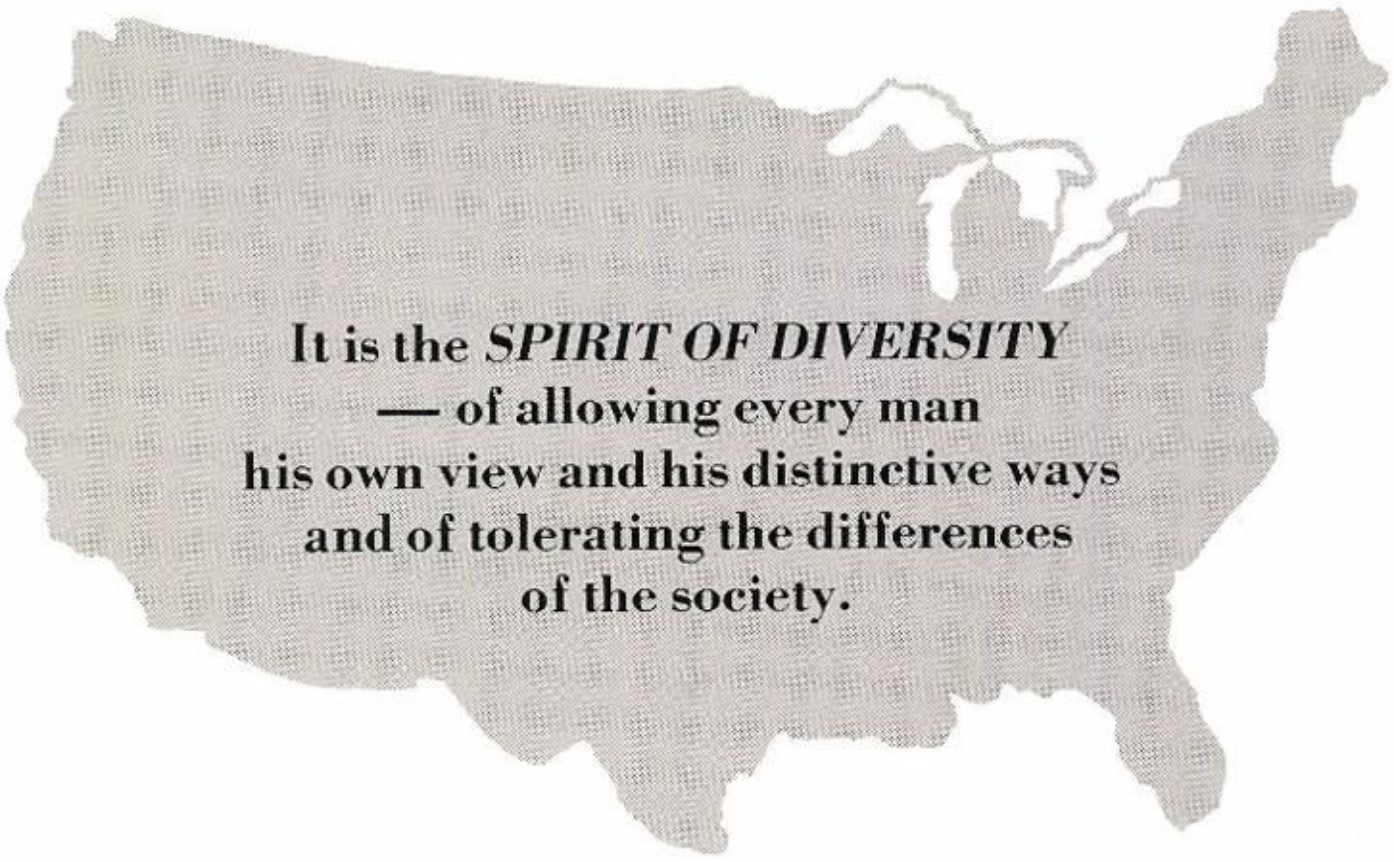




GENERAL STORE



It is the *SPIRIT OF FRONTIER* — of not fearing to go where man has not reached.



It is the *SPIRIT OF DIVERSITY*
— of allowing every man
his own view and his distinctive ways
and of tolerating the differences
of the society.

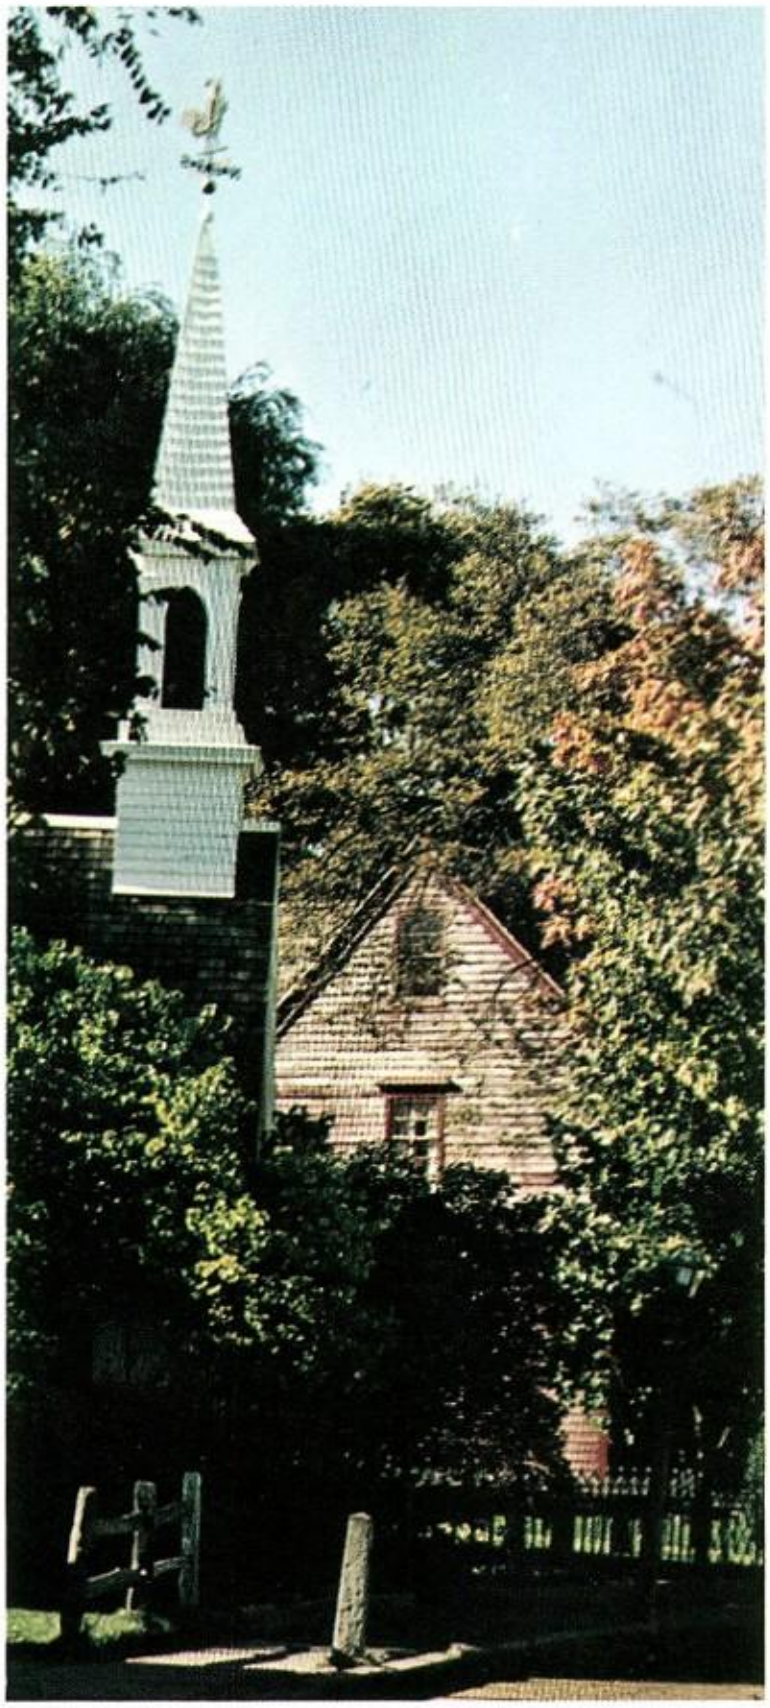
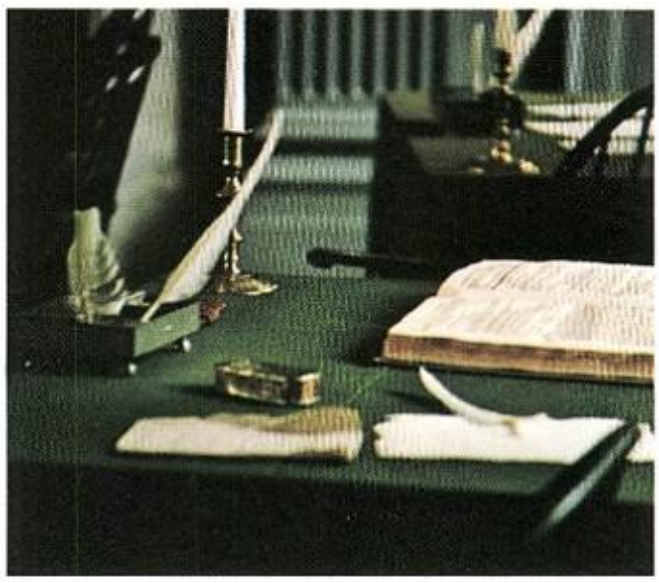
It is the *SPIRIT OF INDIVIDUALISM*
— acknowledging a birthright of opportunity
and freedom drawn from the strength
of our fathers.





Indeed the *"SPIRIT OF '76"* was, and is, many things,
each of which has been a building block
of our national greatness.
Our country grew on that spirit
and prospered on that spirit.
When all else fails
it is that spirit that will be there to guide us
and keep us strong.

ELEMENTARY

George Whitfield was the most rousing preacher of the 18th century. Benjamin Franklin concluded that his sermons could be heard by 30,000 people. Whitfield drew such huge crowds with his dramatic speaking ability that a special building was erected for his preaching in Philadelphia.
